#### [Tampa's downtown development boom starts on the waterfront](#)

Today, Tampa's waterfront is a magnet for investment: The city's downtown has become the locus of a wave of construction projects that will bring an estimated \$13 billion on investment to the Tampa region through 2022, according to Dodge Data & Analytics. Its centerpiece, the new Water Street Tampa, is a \$3 billion, 16-block mega-development, which recently broke ground on a new JW Marriott hotel and the \$164.7 million University of South Florida Morsani College of Medicine and Heart Institute.

#### [Hillsborough County offering Neighborhood Mini-Grants](#)

Hillsborough County's popular neighborhood mini-grants program is back – and this year, there's twice the good news. The Office of Neighborhood Relations is now accepting applications from neighborhood associations to fund projects aimed at bringing neighbors together and boosting community pride. Groups will be able to apply for up to \$5,000 – double the amount available in past years.
