

**Commissioner Sandy Murman attended a scholarship reception at Brooks DeBartolo Collegiate High School to present a Florida PrePaid Scholarship to graduating senior Sarah Metayer. On hand for the presentation were Kimberly Jowell, President of the Hillsborough Education Foundation, Wylms & Andrea Metayer, parents of recipient, and Laura & Kim Brannan, daughter and widow of Scholarship Honoree John Brannan. Commissioner Murman is a Florida PrePaid Foundation Board Member.**

**[Hillsborough County: Get Ready! for Hurricane Season](#)**

Hurricane Season begins in just three days. It's time to "Get Ready!" with Commissioner Sandy Murman's two remaining Hurricane Prep Talks, scheduled in South Tampa and Northwest County. For detailed information on dates, times and locations, access the "Get Ready! – 2018" tab: <http://www.sandymurman.com/get-ready/>

**[Neighborhoods take top honors at Hillsborough County's annual conference](#)**

Residents from throughout Hillsborough County came to the 15<sup>th</sup> Annual Neighborhoods Conference to hear about government programs and offerings, hone leadership skills, and visit with myriad vendors representing public and private endeavors. Attendees could choose from among more than a dozen workshops with titles such as, "Diversity & Inclusion in Your Neighborhood," "Emotional Intelligence for Leaders," "Social Media for Neighborhoods," and "I Don't Need a Permit! Do I?"

**[Everyone in Hillsborough County lives in a flood zone; do you know yours?](#)** Flooding is the most costly and repetitive natural disaster affecting Hillsborough County. While residents are typically affected by inland flooding near lakes and in low-lying areas, flooding along rivers and coastal tidal surge are not uncommon. Flooding can occur anytime and anywhere when heavy or steady rain occurs. For more information, click on the headline above.

**[Regional Library to host SouthShore Transit Study Reevaluation](#)**

You are invited to attend a public meeting on Thursday, May 31, for the SouthShore Transit Study. The purpose of the study is to analyze possible improvements to the transit service in the SouthShore area. This will be an update to the study conducted in 2014, and will reevaluate the current transit needs. For more information, click on the headline for this story.
