*South County
Job Fair*

In partnership with:

Commissioner Sandy Murman’s 8th Annual South County Job Fair is right around the corner. “We are very excited this year to have employers like Amazon, Hillsborough County Public Works, Capital One, Sarasota Memorial Hospital and many more. The most important thing that we can do in County Government is to help our unemployed or under employed citizens to find jobs. When more people are working, more people are saving and spending money at local businesses, and the economy continues to improve,” said Commissioner Murman.

Over 30 employers and vendors will participate this year, some of whom may interview potential employees on the spot, while others may provide online links to jobs. These employers have hundreds of positions available in both part time and full time work.

[Save on School Supplies, Clothing, Computers during Sales Tax Holiday](#)

Do your kids have what they need to head back to campus? If not, take advantage of five tax-free shopping days throughout Florida. **The Sales Tax Holiday begins Friday, Aug. 2, and continues through Tuesday, Aug. 6.** On these five days, select school supplies selling for \$15 or less per item; clothing, shoes, and certain accessories priced at \$60 or less, and personal computers and related accessories selling for \$1,000 or less are tax free. That means no state or local levies are collected on eligible items. A list of qualified items and other details are available at the **[Florida Revenue](#)** website.

[Emergency Shelters](#)

In the event of an emergency, Hillsborough County has emergency shelters for residents and visitors. Shelters are a last resort, and should be used only if you have no other options for evacuation. We encourage residents to evacuate with friends or family to a safe area.

The County operates 3 types of shelters during an emergency:

- General Population Emergency Shelters
- Pet Friendly Emergency Shelters
- Special Needs Shelters

General Population Emergency Shelters

These shelters are intended to provide immediate protection and save the lives of those in the path of a catastrophic and deadly storm. It's important to have a plan – shelters are not resorts. If you do need to shelter in a County evacuation shelter keep in mind:

Pet Friendly Emergency Shelters

Hillsborough County offers eight (8) pet friendly shelters.

Special Needs Shelters

The County provides special needs shelters for residents whose medical condition may require the use of electrical equipment, oxygen, dialysis, or individuals with physical, cognitive, or medical conditions that may require assistance from medical professionals.
